

## MDP CMR CMCA Update

Update March 6, 2016

The M D of Pincher Creek Council did approve shelving of the Castle Mountain Area Structure Plan until the Castle Mountain Master Development Plan (MDP) is complete. Work on the MDP is already underway please refer to the PDF documents on this page.

Update Feb. 7, 2016

A meeting between the castle ASP committee and the authors of the ASP from the M D of pincher creek was held and resulted in the recommendation of staying of the ASP until there is more information about the new parks from the Province. Additionally the Castle Master Development Plan will also need to be completed as part of the process. It is clear from the meeting that there is still a long way to go on this process before a resolution will be reached.

Update January 20, 2015

A meeting of the CMR/CMCA/MD Pincher Creek is set for Feb. 6 2016 at Castle Mountain. The CMR/CMCA ASP committee has developed a statement of intent that will be presented to the MD authors of the ASP. CMR is currently working on a Master Development Plan.
